Organising Secretary

Dr. G Seshagiri Rao
Treasurer

Respected Members,

The APOS Executive Committee and LOC, Vision Waves Kakinada 2026, warmly welcome you to the **11th Andhra Pradesh Ophthalmic Society Annual Conference**, to be held from **18th to 20th September 2026** at **Kakinada**.

We are delighted to gather in the beautiful city of Kakinada with renewed energy, purpose, and vision. With the blessings and continued support of our members, we are confident that this year's conference will be a grand success.

Our society continues to grow stronger with the enthusiastic addition of dynamic young practitioners and postgraduate students from across the state and beyond. **The leadership team is working wholeheartedly to ensure that all delegates enjoy a rich academic experience, blended with meaningful interactions, warmth, and fellowship.**

The Scientific and Academic Research Committees are designing a comprehensive scientific program that will benefit delegates from all categories. **The sessions will range from core clinical subjects to advanced learning modules, ensuring that every participant gains valuable knowledge and practical insights.** We are also bringing together eminent faculty from both the state and national levels to personally interact with and inspire our members.

The ophthalmic surgical and pharmaceutical industries continue to be an integral part of our annual conference. This year as well, we are making every effort to ensure their active participation through a vibrant exhibition that will showcase the latest technologies, innovations, and solutions for our professional needs.

The Kakinada LOC is committed to extending warm hospitality and making thoughtful arrangements for all attendees. We are confident that the venue, facilities, and local support will ensure a comfortable, engaging, and memorable experience for every delegate.

We sincerely invite all members to participate in large numbers and make Vision Waves Kakinada 2026 a truly memorable and successful conference.

In line with our commitment to sustainability, all invitations, registrations, and scientific submissions will be managed digitally. We deeply appreciate your cooperation in supporting this eco-friendly and efficient approach.

Thank you.

LOC, Vision Waves Kakinada 2026
& APOS Executive Committee
